

National Board Teacher Certification

This is your opportunity to participate in a Candidate Preparation Program

Spend 10 three-hour classes (seven of which physically meet; three are done on your own) finding out exactly what is involved in becoming a candidate for certification in your subject area.

Topics to be covered include:

- Five Core Propositions
- National Board Standards
- The Portfolio and Scoring
- Three Kinds of Writing
- Video Taping
- Assessment Center Preparation

Class size is limited and all teachers and state licensed school counselors are welcome whether or not you attended the May 19th informational meeting which is/was held at the IU.

There is no requirement that participants become candidates at the conclusion of the preparation.
