

***IU 1 Strategic Plan  
Needs Identification by Focus Area***

*Complete this page with the understanding that you will remain in your current position for the next five years. You are determining the needs of the position.*

***Leadership***

IU 1 will focus on leadership by establishing direction and undertaking initiatives that are responsive to district needs in relation to the demands of the external environment.

As a \_\_\_\_\_ examining my current circumstances and the demands of the external environment  
(position)  
 at the end of the next five years (2014) I would like to achieve the following in my \_\_\_\_\_  
(district/building/department)  
 to prepare learners to meet the challenges of the future.

Achievements	What is holding you back?	What will help you achieve these?
