TYPES OF CLASSES OFFERED:

Classes for transitioning to postsecondary education or work are offered in the following categories:

Literacy (LIT) - This class provides the foundation for developing basic literacy and beginning math skills.

English as a Second Language (ESL) - This class offers English Language Learners with the opportunity to build reading, writing, listening, and speaking skills.

Adult Basic Education (ABE) - This program offers an introduction to fundamental skills in reading, English, math, and career exploration. This class provides the foundation for GED® preparation and introduces career pathways opportunities for employment and postsecondary training.

High School Equivalency (HSE) - This course provides preparation for the GED® or HiSET® test with opportunities to explore several career pathways with a focus on obtaining entry level employment or entering a postsecondary training program.

TEAS - This class prepares you to enter a career in the health field. Preparation for entrance exam will be provided along with improvement in reading, writing and math skills. Specialized career pathways are explored.

*All Classes require an orientation. Please call the site for orientation dates and times.

Small group and one-on-one tutoring is available for ESL students in Washington & Greene Counties.
